Dear Sir / Madam,
I'm with much delightful to thank you for your nice gift supplied to us.

But very sadly it was not given to us earlier but rather on 10th March 2007 and I'm sorry for that and I'm so grateful for you gift given to me. First before anything let me introduce myself to you. My parents are My and Mrs. Kofi.

My father was accidentally shot down by a vehicle and I'm only with my grand-mother because my mother on the order hand does not do any work she is only helping some body works as a labour.

I'm a boy of thirteen years old and I'm going to complete my school next year. Please sir / madam, I need your help please, even by the time I got you gift I know truly in Jesus name that you are going to help me besides I was very excited for your gift.

My grand mother is sending her greetings to all your family for the good done to me and she really appreciate that. please I need school materials and even what to use to cater for my needs as book buying etc.

I will send my picture with my next letter. Thanking you and I will end here with much greetings to your family, friends etc.
